It is with much pleasure that we invite all Steiner EC teachers to this mini conference at the beginning of the 2023 school year. We have managed to bring to New Zealand someone who we have wanted to invite for a long time. **Barbara Baldwin** will join us to give morning lectures on 'Doorway to the world: Understanding the twelve senses' Please read her biography below to see with how much knowledge and experience she comes to us!

The afternoons will be spent in the outdoors with a choice of experts in their field. You may choose a different workshop for each day, but you will be in that workshop for the whole afternoon. **Outdoor/bush/ngahere kindergarten** is something so needed for today's children and we hope we can give you an opportunity to extend your own skills in this area.

This event has come together with the financial support of Waekura, the Early Childhood arm of SEANZ (Steiner Education in Aotearoa New Zealand).

A timetable and registration form are attached with this invitation and we ask you to fill in the form and send it back to edith.vandermeer@gmail.com **no later than 10 January 2023** Maximum number of participants is **80** and we will register people on a first-come, first-served basis (after payment is in the bank!)

Some wonderful books to prepare for this mini-conference
